

ARM YOUR EMPLOYEES

WITH THE BEST IN KEVLAR® PROTECTION

KEVLAR SLEEVES

Constructed at our factory from 100% Kevlar, Southern Glove sleeves are available in lengths from 10" to 24" and in single and double ply. These sleeves come in width options of 3" and 4" to fit everyone in your plant.

TECHNICAL DATA

- Double Ply Heavy: ASTM F1790 Cut Level 4
- Double Ply Regular: ASTM F1790 Cut Level 4
- Sleeves made of Kevlar fibers are inherently flame-resistant so they resist burning, combustion, or melting
